

All about JIZ

State April 2020

The Munich's Youth Information Centre is a public institution funded by "Kreisjugendring München-Stadt". Our German name is Jugendinformationszentrum, however we are often just called "JIZ", which is the acronym.

► The Youth Information Centre

...the main target group are **young people** aged between **14 and 26 years**. Additional target groups are family members and those who work with young people (teachers, social workers, youth workers etc.)

...provides extensive **information about all youth and early adulthood related issues** (employment matters, recreation, youth travel, legal issues etc.)

... is a first point of contact for young people **seeking information or assistance**, also in **crisis situations**

...offers **initial consultation**

...offers **regularly expert counseling** (Legal Counseling, Dept Counseling, Bullying Counseling, School-to-Work Transition Counseling, Counseling on going abroad, Accommodation Counseling...)

... **refers** young people to relevant statutory agencies and youth welfare services when further information or specialist help is required

... has **projects**, in which young people can participate

... provides computer with internet access and websites for **online research**

... provides a wide range of **print materials** (brochures and books)

... **publishes own material**, for example the brochure "München-Tipp" (Munich's advice) on different subjects (Accommodation in Munich, Party Rooms, 2nd-Hand Shops etc.)

... **gives introductions** for visitors and groups

... all services are **free of charge** and **confidential**, clients may remain **anonymous**
