

German courses in Munich

Stand October 2020

In this list you will find German course provider (different language levels) in Munich. The list is not complete and is NOT a recommendation!

► Integration courses in Munich

Integration courses are offered for immigrants who speak little or no German but live permanently in Germany and have a valid residence permit. These courses cover 700 hours (600 hours language course + 100 hours orientation course). Costs vary by status (exemption possible). More information about participation and costs can be found on the website of the federal office. In this course the participants learn the German language and get an overview of the history, culture and legal system of the country. The course offer in Munich is varied. Further information and database of integration courses: www.bamf.de

The offers of **school counselling international** can be found at: www.muenchen.de/bildungsberatung
